How it works

1. **Register with our supplier**: Click 'Use this offer' next to the 'Get a FREE fuel card today' online discount then you'll be directed to the Assist Protect website. To register, click 'Join FREE now' and enter your details to create an account.

2. **Apply:** Once you've registered, you'll be directed to The Fuel Store to proceed with your application.

3. **Application reviewed:** Your application will be reviewed, and you'll hear back from The Fuel Store with confirmation of your application and next steps.

4. **Use your card:** Within 10 days your card will arrive in the post, you can then preload your card with credit and start using it immediately to pay for fuel at any Shell station.

5. **Log in to The Fuel Store portal:** Where you can top up your fuel card, find your nearest Shell station and manage your cards.

Note

- Discount is only available on standard fuels.
- Fuel cards cannot be used for other items at the petrol station.
